Attention Customers:

M Luis Products, LLC is pleased to announce a change in its dumping fees. We have partnered with a crushing operation and worked with our trucking resources to lower the cost of removing millings and broken asphalt from our Rockville Asphalt Plant.

Effective Monday June 22, 2015

Dump Charges are as follows

<i>Partial Loads (Less Than 10 Tons)</i>	<i>\$35.00</i>
<i>Single Axel Loads</i>	<i>\$125.00</i>
<i>Tri-axle Loads</i>	<i>\$165.00</i>

Credits will be issued as follows:

<i>Partial Loads (Less Than 10 Tons)</i>	<i>\$00.00</i>
<i>Single Axel Loads</i>	<i>\$50.00</i>
<i>Tri-axle Loads</i>	<i>\$75.00</i>

Customers are still required to purchase at least the same amount of HMA as they dump off per month. Customers that do not adhere to the purchase agreement will not continue to dump material at the plant.

Prices and policy subject to change.

We appreciate your continued patronage and look forward to a successful partnership.

Thank You,

**Husain M. Rashid**  
General Manager  
M. Luis Products, LLC
