

Job Description: Heavy Equipment Road Mechanic

Corporate Office: 12200 Plum Orchard Drive Suite 110, Silver Spring, MD 20904

Repair and Maintenance Shop: 701 Pittman Road, Baltimore, MD 21226

CONSTRUCTION CO., INC. | mluisconstruction.com | recruitment@mluisconstruction.com | 410-545-0641

M. Luis Construction Co., Inc., a woman / minority-owned asphalt manufacturer and construction service company, has an immediate opening for a Heavy Equipment Road Mechanic.

We are seeking a Heavy Equipment Mechanic with a minimum of 5 years of verifiable experience to perform various heavy equipment repairs and routine maintenance at our Equipment Shop in Curtis Bay, Maryland and on the road. This individual is responsible for performing a variety of skilled mechanic tasks involving minor and major mechanical service of light, medium, and heavy equipment, trailers, dump trucks, and other power-driven equipment.

Responsibilities

- Respond to service calls of job-site equipment such as dump trucks, excavators, loaders, paving & milling equipment, air compressors, and other support equipment
- Understand and follow technical manuals, lube orders, wiring and hydraulic schematics to ensure proper diagnosis and repair
- Perform major repair jobs by disassembling and cleaning parts, removing components, removal and installation of assemblies and installation of components
- Complete minor repairs and perform services as outlined in technical manuals
- Perform all necessary repairs to keep our fleet in safe operating condition
- Maintain tools and keep work area clean
- Must be willing to assist crews when necessary
- Assist with maintenance and cleanliness of vehicles when necessary

Skills:

- Proven work experience maintaining and repairing heavy equipment
- Must be able to diagnose and repair equipment
- Knowledge of Paving and Milling Equipment a plus
- Use of defensive driving techniques
- Ability to operate both a manual and automatic transmission

Physical Demands:

- Job requires the following motions: stretching, bending, lifting, pushing, pulling, twisting, walking, standing, reaching, and squatting
- Excellent manual dexterity to use hand tools and portable power equipment

Work Environment:

- Physical ability to work under temperature extremes and for extended hours of time. Normal shift is 8-10 hours
- Willingness to work under various site conditions and to travel to different project sites within the Baltimore-Washington Metropolitan area
- Must be able to work day or night shift, including weekends
- May be exposed to extremes of hot or cold weather
- Ability to be flexible with last minute schedule changes and shift changes. Overtime work will be required.
